

Junior College, and marks the fifty-second national championship for TJC since athletics was first organized at the school back in the 1940s.

The TJC Apaches traveled to Kinston, North Carolina along with a host of devoted Apache fans, where the doggedly tenacious team defeated Joliet (Illinois) Junior College with a final score of 10–9. They never lost sight of their unified goal of capturing another national title for TJC. The TJC Apaches pushed onward with unmitigated perseverance and determination, despite a season wrought with weather related delays and cancellations.

A tremendously skilled coaching and administrative staff helped lead the Apaches to another consecutive victory. Those individuals include Head Baseball Coach Doug Wren (NJCAA Div. III Baseball Coach of the Year); Assistant Coaches Chad Sherman, Taylor White, and Trent Buchhorn.

The exceptionally talented, resolute, relentless national championship team is comprised of Zane Ancell, Austin Ballew, Cody Brown (Tournament MVP), Landon Brune, Jace Campbell, Derek Clemons (Tournament Elite Hitter & All-Tournament Team), Aaron Clemons (All-Tournament Team), Michael Crews, Manny Galvan, Jonathan Groff, Jacob Hickman, Chantz Holland, Tim Hunter, Jimmy Johnson, Garrett Johnston, Alex Masotto (All-Tournament Team), AJ Merkel, Chandler Muckleroy, Brady O'Borski, Zane Otten, Jared Pauley, Gunnar Quick, Reese Read, Taylor Rich, Drew Robertson, Adan Ross, Reid Russell, Sam Sitton, Weston Smart, Travis Smith, Brady Usherwood, Jace Vines, and Brandon Webb (All-Tournament Team). Of course, every great team needs assistance to round out and hold them together as a team and keep them physically on the field playing, and that help came in the very able assistance of Training Staff Eddy McGuire, Jeff Derrick, Spenser Deeken, Lynsee Jistel, and Nathan Tanaka; and Student Support Staff consisting of Chad Cunningham and Justin Doelitsch.

Without question, there is a long legacy of academic and athletic achievement at Tyler Junior College, even as it continues to reach new levels of prestige under the meticulous leadership of TJC President Dr. L. Michael Metke; Athletic Director Dr. Tim Drain; Assistant Athletic Director Chuck Smith; Athletic Department Coordinator M. Angela Clemons; and Provost and Vice President for Academic and Student Affairs Dr. Juan Mejia.

One must also recognize the unwavering support of the players' families, Tyler Junior College alumni, faculty, staff members, and the entire East Texas community. Without this remarkably loyal support system, the Apaches' road to back-to-back national championships would have been a much more difficult journey.

It is with great pride that I join the constituents of the First District of Texas in congratulating the players and athletic staff of the 2015 NJCAA Division III World Series National Champions, the TJC Apaches Baseball Team, whose legacy is now recorded in the CONGRESSIONAL RECORD that will endure as long as there is a United States of America.

RECOGNIZING GOTEMBA, JAPAN ON ITS 55TH ANNIVERSARY AS CHAMBERSBURG, PENNSYLVANIA'S SISTER CITY

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Mr. SHUSTER. Mr. Speaker, I rise today to recognize the city of Gotemba, Japan on the occasion of its 55th year as Chambersburg, Pennsylvania's Sister City.

In 1958 the Gotemba City Assembly took the first step in creating an exciting international bond when it voted to establish a Sister City relationship with Chambersburg, PA. With a vibrant population of nearly 89,000 people and a picturesque location near the base of Mt. Fuji, Gotemba has been an extraordinary partner and gracious host.

Originally presented as an opportunity for building friendships and exchanging ideas and cultural interests, this arrangement has created long-lasting connections and spurred experiences that any international city would be lucky to have.

Long after the first personal contact by citizens of Chambersburg visiting Gotemba occurred in April, 1960, our friendship remains strong. It is my honor to help welcome the Gotemba citizens and highlight their 2015 visit to Chambersburg, as it is not only the first of its kind in a decade but also marks the 55th year of our unique relationship. Additionally, I would like to recognize those who have built and maintained the Sister City status, for they have made this milestone and all of its positive impacts on both of our communities possible.

Today I am proud to celebrate the 55 years Chambersburg and Gotemba have shared as Sister Cities and wish this international union endless success in the future.

RECOGNIZING THE 30TH ANNIVERSARY OF THE BREVARD SMALL BUSINESS ASSISTANCE COUNCIL

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Mr. POSEY. Mr. Speaker, small businesses are the backbone of our economy and have historically created the bulk of new jobs in America. Wherever and whenever efforts are undertaken to encourage small business development and entrepreneurship, we make our economy stronger and provide new opportunities to hard working Americans and their families. One such organization dedicated to this cause is the Brevard Small Business Assistance Council (BSBAC).

Founded in 1985, BSBAC is a not-for-profit organization dedicated to promoting the growth of small businesses in Brevard County, Florida, by providing networking opportunities, learning and coordinating advocacy on issues that influence businesses in Brevard County. Some of its members include Brevard County's local governments and chambers of commerce, banks, legal offices, the federal government and many prime contractors for the Air Force and NASA.

On August 1, 2015 the Brevard Small Business Assistance Council will achieve a great milestone in its life and celebrate its 30th Anniversary.

I urge my colleagues to join me in congratulating BSBAC for their successful efforts over the past 30 years to support local business development, and salute their continued commitment to enhancing commercial and government procurement opportunities for Brevard County and Florida's small businesses.

RECOGNIZING KEN "KENNY" STABLER OAKLAND RAIDER LEGEND ON HIS PASSING

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Mr. SWALWELL of California. Mr. Speaker, I rise with Congressman JIM COSTA of California, and Congressman BRADLEY BYRNE of Alabama to recognize Oakland Raider legend Kenny Stabler on the occasion of his passing away from colon cancer on July 9, 2015 at the age of 69.

After playing football at the University of Alabama, Stabler joined the Oakland Raiders and was their quarterback during the franchise's glory years from 1970–1979.

In his time as the Raiders' starting quarterback, Stabler compiled a record of 69–26–1, was named to the Pro Bowl four times, earned NFL MVP honors in 1974, and won a Super Bowl in 1977. He was one of the most accurate passers in football and revolutionized the quarterback position with his mobility in an illustrious career that also included stops with the Houston Oilers (1980–1981) and New Orleans Saints (1982–1984).

More than any statistics or records, (which were impressive enough in their own right), Stabler was a clutch performer who was cool under pressure. Nicknamed "the Snake," he embodied the toughness, grit, yet fun-loving spirit that epitomized the Silver and Black during a storied era.

Stabler was at the helm for some of the NFL's most iconic moments including the "Sea of Hands" completion to Clarence Davis to defeat the Miami Dolphins in the 1974 playoffs, the "Ghost to the Post" to Dave Casper leading to a victory against the Baltimore Colts in the 1977 playoffs, and the "Holy Roller" fumble he initiated to secure a victory over their AFC West rival San Diego Chargers in 1978.

In fact, NFL Hall of Fame Coach and Commentator John Madden said that if he could only have one quarterback in all of NFL history to lead a final game-winning drive, it would undoubtedly be Kenny Stabler.

Kenny's Commitment to Excellence with Pride and Poise was truly extraordinary. Along with Congressman COSTA and Congressman BYRNE, I want to acknowledge him for his stellar career and pass along my condolences to his family, friends, and the Oakland Raiders franchise.

RECOGNIZING NIKI KENNEDY'S
FULBRIGHT SCHOLAR ACHIEVE-
MENT

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Mr. LONG. Mr. Speaker, I rise today to recognize and congratulate Niki Kennedy on receiving a renowned Fulbright English Teaching Assistant Award for the 2014–2015 academic year.

Niki, a Marionville, Missouri, native, was awarded a Fulbright U.S. Student Program grant to serve as an English Teaching Assistant in Germany. The award has allowed Niki to continue learning the German language and culture after graduating from Missouri State University, while at the same time serving the people of Germany.

A Fulbright English Teaching Assistantship allows individuals to teach English and serve as a cultural ambassador for the U.S. by being placed in a classroom abroad. Niki's work through her scholarship has helped strengthen American ties with the German people and improve American relations with the country.

I am extremely proud that talented, hard-working, and dedicated individuals such as Niki represent the Seventh District of Missouri. I urge my colleagues to join me in congratulating Niki Kennedy for her service and for receiving this esteemed award.

IN RECOGNITION OF THE 70TH AN-
NIVERSARY OF ST. JOHN MIS-
SIONARY BAPTIST CHURCH

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Ms. MATSUI. Mr. Speaker, I rise today to recognize St. John Missionary Baptist Church and its parishioners as they celebrate the church's 70th anniversary. As its congregation gathers to celebrate this wonderful occasion, I ask all of my colleagues to join me in recognizing and honoring St. John Missionary Baptist Church for their contributions to the Sacramento community.

St. John Missionary Baptist Church was formed on August 24, 1945, under the leadership of Reverend Benjamin F. Davis. Their first location was known as "the little storefront church" and was located downtown on Capitol Avenue between Third and Fifth Streets. The church has been at their current location at 2130 4th Street for the last 53 years and it has thrived under the pastoral leadership of the Rev. J. D. Griffin, Dr. William E. Hights, and their current pastor, Rev. Darryl B. Heath.

St. John Missionary Baptist Church is committed to building stronger and synergistic relationships with its neighboring families and businesses. Their motto is "Small Enough to Care, Large Enough to Serve!" They do this by providing much needed social services to the underserved. An example of their exemplary work includes the Repairing the Breach Neighborhood Project which was established in 2008 and the Resource Referral Center opened in 2010, which is staffed by volunteers to assist in home ownership and financial counseling.

Mr. Speaker, as the congregation gathers for their 70th anniversary celebration, I am pleased to honor and recognize St. John Missionary Baptist Church for its important role in enhancing Sacramento's community. I ask my colleagues to join me in wishing them continued success and thanking them for their service to the Sacramento region.

TRIBUTE TO ADMIRAL JOHN GROSSENBACHER

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2015

Mr. SIMPSON. Mr. Speaker, I rise today to recognize John Grossenbacher for an exceptional career dedicated to public service. After a distinguished 33-year career in the United States Navy, John became Laboratory Director of the Idaho National Laboratory in 2005. Since becoming Lab Director, John has dedicated himself to making INL a world-class nuclear energy research and development institution. John's tenure as Lab Director will soon come to an end, and while his legacy of leadership will endure for some time, I want to take this moment to say thank you and best wishes for the future.

When John Grossenbacher assumed command of the Idaho National Laboratory, he navigated the separation of cleanup work from research activities and the merger of two distinctly different research institutions. Since that time, John has brought a focus and purpose to INL's nuclear energy programs and he has worked with various leaders at the Department of Energy to strengthen our nation's nuclear energy programs and the important facilities in Idaho. Part of John's charge was to bring in the best and brightest to lead INL and the talent that he has brought to Idaho from other labs, industry and universities has strengthened our institution and its impact. John also spearheaded an effort to revitalize INL's facilities. Today what once was a field in Idaho Falls is now a gleaming boulevard with modern and efficient laboratories and offices. Idaho National Laboratory is now a strong, vibrant and respected institution and John Grossenbacher, the Battelle Energy Alliance, the Department of Energy, and the State of Idaho deserve credit for this enormously successful partnership.

While John pushed hard for the modernization of INL's nuclear capabilities, he also recognized that INL's unique physical and intellectual infrastructure provided opportunities to greatly expand the lab's work in national and homeland security programs, clean energy initiatives and regional partnerships. Today these INL programs are having a significant impact in their own unique areas and more and more people are looking to work with INL to solve their pressing challenges and get results.

As Laboratory Director, John Grossenbacher has steered the lab through numerous challenges and hurdles. In each of these instances, John assesses the situation, he tells you what he thinks, and he does what he thinks is necessary to solve the problem. John's candor, his unmatched integrity and his dedication to his job have ruffled feathers at times but have also brought him scores of supporters and advocates—and respect. Count me among his supporters.

John Grossenbacher has given INL a legacy of leadership and world class capabilities. John still has lots of energy and a desire to serve his country; and I am confident we will see him soon in some other significant capacity after his tenure at INL comes to an end.

Speaking for many, many others let me say, Admiral, thank you for a job well done.
